FEBRUARY EVENTS

Top 7 Reasons to Sign Up for Parent's Night Out

1. You can talk to other adults without being interrupted every other sentence.
2. You can go shopping and spend money on yourself and not the checkout "keep my kid quiet" items.
3. You can go out to dinner with your significant other to a restaurant that doesn't serve cheerios on plastic placemats (Bonus: You can even go to a restaurant that doesn't have a brightly colored spokesperson/animal).
4. You can drop off the kids and go home and sit on the couch and do nothing but listen to silence.
5. You can go see a movie without worrying about the volume or the graphic influence it may have on your children (you can even rent a movie at home and turn up the volume as loudly as you like)!
6. Someone else is watching and feeding your children and you don't have to clean up the mess!
7. Your child can invite (for FREE) that friend he wants to play with that you WILL NOT allow in your house!

Details: Parents' Night Out

Friday, Feb. 10, 6:00-9:00 PM. \$20 per person, but each paid child may bring 1 friend free. Please RSVP and pay at the front desk.

Children will get to watch a double feature; first the premiere of the new VeggieTales movie (not out in stores till March), Robin Good and His Not-So-Merry Men and Kung Fu Panda 2.

We will have pizza, drinks and movie snacks available.

Children should bring pillows, blankets and whatever will make their viewing experience more comfortable.

Saturday Classes

We have Regular Saturday Classes scheduled for Feb. 4 and 11 this month (schedule at left). We've gotten some feedback on our Saturday classes and we are very grateful to those who have spoken with us.

In order to make the most of our training time, we are currently looking at some other options for our Saturday classes and look forward to making our program better! Details to come next month!

Valentine's Day Uniform

To celebrate the holiday, students may wear clothing that celebrates Valentine's Day (in a positive way) instead of their uniform. Clothing must be modest and must allow for Tang Soo Do training. Rank belts are still required.

GUP TEST:

If you are eligible to test, you will receive your test form and permission form (for school students) in advance. **TEST FORM, PERMISSION FORM** (signed by a parent and a teacher), **AND PAYMENT MUST BE RETURNED BEFORE TEST DAY. On test day, arrive at least 15 minutes early - if you are late, you will not get to test!**

Remember to wear your full uniform - clean, unwrinkled traditional jacket, pants and belt.

Leadership Team Meeting:

The Leadership Team meeting this month is Feb. 28 in place of the 8:00 Black and Blue class. Black and Blue Belts are invited to join the Advanced Class for sparring night.
